3-4 Instructional Division

This division is designed to introduce players to organized sports. Rules are simplified, team rosters are reduced, and playing season is compacted to allow maximum exposure in a limited time frame.

5-6 & 7-8 Divisions

These divisions are designed to introduce players to organized sports and begin developing fundamentals for each specific sport. Rules are modified to provide the optimum playing experience for novice participants.

9-10 Division

This division builds on basic fundamentals of a given sport. Rules are slightly modified to provide optimum playing experience for participants with limited exposure.

11-12 & 13-15 Divisions

These divisions are designed to promote teamwork, sportsmanship and advance fundamental development. No rule modifications or slight rule modifications to provide optimum playing experience.

6. When is the parent meeting?

Additional parent information will be released online or via email after registration has closed. There will be no in person parent meeting.

7. How to be a coach?

WE NEED YOUR HELP!! Potential coaches must be 18 years or older, fill out a coach's application, pass a criminal background check and sign the Coaches Code of Conduct. Approved coaches must attend a mandatory coaches meeting (may be virtual or required to watch coach video) and will be given a photo ID Coach badge. **Coaches are required to wear their ID badges at all practices and games.** Completion of paperwork does not guarantee a coaching position.

8. Skills/ Evaluation Assessment Information

It is our current plan to have skills assessments sometime between November 15-23. These TBD dates/times will be communicated via email and posted on our website once a final decision has been made. If no skills days can take place then players will be randomly assigned to teams.

All basketball participants playing in the 7-8 year old age group or older are required to attend skills assessments. If a child does not attend a skills assessment, then that child will be randomly assigned to a team at the player draft. There are no skills assessments for the 3-4 or 5-6 year old age group. All players in these age groups are randomly assigned to teams.

9. When will I be contacted?

You will be contacted by your coach after player team assignments sometime between December 3-5. Please allow volunteer coaches time to contact each participant before contacting our office on December 6 for team information.

10. How many practices will my child have per week?

Ages 5 & Up: Teams will have one practice per week (lasting one hour) starting December 6, 2021. There will be NO practices December 20-31. Practices will start back up January 3 after the holiday break.

3-4 Instructional: This program will begin on Saturday, January 8, 2022.

11. When / where will games be played?

Games will be played on Saturdays beginning January 8 and conclude on February 26. Depending on schedules and gym availability, some weeknight games may be necessary. Practices and games will be played primarily at Kannapolis City Schools. Nearby Cabarrus County schools may be utilized if registration numbers dictate that a particular division play countywide.

12. Team Pictures

Team and individual pictures opportunities will be available. Days, times and locations will be announced once scheduled.

13. Inclement Weather Hotline

In the event that we encounter inclement weather, the weather hotline 704-920-4344 will be updated. The Parks & Recreation Department has until 4pm to make weather related decisions for weeknight activities. Any time school is cancelled because of inclement weather, all practices and games scheduled for that day at all sites are cancelled. If school is cancelled on a Friday because of inclement weather, games scheduled for the following Saturday are also cancelled.

14. Sponsorship

Sponsorship opportunities are available. Please visit www.kannapolisnc.gov for additional information.

15. Special Request

Requesting a particular coach, teammate or practice night does not guarantee that request, but staff will do all they can to help grant a request or accommodate a conflict.

16. Additional Information

* The CDC recommends that anyone who has not been fully vaccinated against COVID-19 should continue to wear a mask and maintain social distance.

* Participants, spectators and coaches are welcome to wear masks if they prefer.

* Anyone who is showing signs of COVID-19, been told to quarantine or been exposed to COVID-19 should not come to practice or games until the proper quarantine time has passed.

* All water bottles, snacks or any additional items should be clearly marked with the child's name.

While we continue to monitor and follow COVID guidelines here are some examples of what could be expected:

* Coaches, officials, staff and/or players could be required to wear face mask.

* Practice and game times may be staggered to reduce the amount of people in the gym at one time.

* Spectator attendance, gym capacity, spectator social distancing and mask will be evaluated and addressed as we get closer to the program offering based on the Governor's orders and CDC recommendations.

* Pending additional recommendations or requirements, there may be additional practices to reduce possible spread. Program cancellation or postponement are also possibilities if it is deemed in the best interest of public safety.

We know these may not be desirable options, but they allow us to offer this program while following the Governor's orders and CDC's recommendations of public gatherings.
